Fee and Participant Guidelines

Pre-Pay Option: Pet owners complete the Happy Tails application materials and create an adoption file for each specific pet. The donation required is \$1,500 for each cat and \$2,000 for each dog.

Deferred Payment Option: Pet owners who have life insurance or other estate plans, but would like to defer payment, can set up their estate to distribute funds upon their passing. The pet owner must have an attorney handling the distribution. The donation required is \$2,000 for cats and \$2,500 for dogs. A copy of the policy/estate plan including HSNCF must be on file.

Note: Fees are non-refundable. However, if a covered pet dies, the HSNCF Happy Tails member may opt to add a different pet by filling out a new adoption packet. For the new pet to be covered, a Happy Tails file MUST be created for the new pet.

General Requirements for Enrollment in Happy Tails

- Animals must be **adoptable**, as determined by the criteria set at HSNCF at the time the pet is received into the program.
 - Aggressive, feral or terminally ill animals are **not** considered adoptable. Terminally ill animals will be placed in the Bailey's Promise Hospice Foster program and will be given palliative care.
 - Temperament testing will be done by an HSNCF employee at the time the pet is entering the program.
- No more than 10 cats or 5 dogs from any individual will be accepted into the program from any household without prior approval.
- Owner must provide a picture of the pet with the adoption packet.
- Only cats or dogs are available for placement at this time.
- If the pet owner is married, the spouse must sign a consent form allowing HSNCF to place the animal upon the applicant party's death or disability.
- Individuals entering the program agree that if, at any time, the placed pet is considered terminally ill by a licensed veterinarian, that HSNCF has the right to humanely euthanize the pet rather than continue its suffering if it cannot be kept comfortable and stress free with palliative care.
- **Notification:** Happy Tails participants are required to arrange notification of their passing or injury to HSNCF through family, friends, estate attorney or hospice worker. <u>This is critical.</u>

Program Guarantee

HSNCF agrees to accept any dog or cat that meets the necessary adoption criteria and keep the pet until an acceptable permanent home is found. HSNCF will not euthanize any pet unless it meets health or behavior criteria that would eliminate it from public adoptions.
