ANIMAL SPOTLIGHT

HI MY NAME IS: CLOVER

After I was hit by a car, I had a broken pelvis and nerve damage in my paw. Supporters like you helped raise over $2,000 for my recovery, and now I'm walking, running and playing again!
OUR ANIMAL SPONSORSHIP PROGRAM

This year the sponsor a pet program benefited 55 shelter pets. These long term residents were able to find their loving forever homes after receiving additional promotion through the sponsor a pet program. A one-time donation of $200 waives the pet’s adoption fee, helps cover the cost of caring for that animal, and allows the humane society to pay to promote that pet until it gets adopted.

Selena is one sweet pet who is still looking for her forever home through the sponsor a pet program.

In the beginning of September, Hurricane Dorian was making its way towards Florida and the Humane Society of North Central Florida.

HSNCF prepared for Hurricane Dorian by moving its shelter pets to rescues and foster homes. Thanks to Wings of Rescue, about 40 cats were transported via airplane to HAWS Waukesha and Wisconsin Humane Society.

Amazing individuals and families alike opened their homes to give over 200 pets a break from the shelter and ensure their safety. The South Campus was fully evacuated and the North Campus was almost completely emptied. As a thank you, HSNCF waived adoption fees for the Hurricane foster parents who wanted to provide a furever home for their foster pets!
This year's Woofstock event was the grooviest yet! Thank you to everyone who attended, bid, danced, and donated. We raised $35,000 to help homeless pets in North Central Florida. We can't wait for next year!
